Planes!

Controls:

- WASD keys to move your plane around
- CLICK MOUSE PAD to shoot your bullets

Instructions:

- Successfully kill all enemy planes as fast as possible
- Don't collide with enemy planes or else you lose
- Keep an eye on the time at the top left of your screen to track your lowest time when you win!
- Play until you get your lowest time!

Optional:

- Play multiplayer by getting a Pilot on the sticks (WASD) and an NFO on the weapons system (MOUSE PAD) to get an even fast time
